

3 Tiers - 12 Tiers Poultry Drinking System Adequate Water For Battery Type Layer Farm

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Farmrob
- Certification: ISO9001
- Model Number: H Type
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60days
- Payment Terms: L/C, T/T
- Supply Ability: 50000 sets per month

Product Specification

- Features: Anti-corrosion, Durable, Hygienic
- Material: Mg-Al-Zn Alloy
- Tier: 3 Tiers To 12 Tiers
- Service Time: Up To 20 Years
- Maintenance: Easy To Clean And Maintain
- Type: Automatic
- Poultry Cage Type: H Shaped Layer Cage
- Accessories: Feeders, Filter, Medicator
- Size: Standard Size For Poultry
- Product Name: Poultry Layer Battery Cage System
- Highlight: **3 Tiers Poultry Drinking system,
12 Tiers Poultry Drinking system,
Battery Type Poultry Farm Drinking System**

Product Description

User-Friendly Poultry Drinking System Adequate Water For Battery Type Layer Farm

Drinking system

Double water lines,each cage is equipped with a water line. It is convenient to check the water pipe and nipples. The patented structure of double-needle cassette nipples can effectively prevent debris from blocking the nipples. There are double water supplies at the front end of the house, fully meeting the drinking water needs of the chickens. The wiring is beautiful, with single raw control and easy operation. Terminal drainage and backwash water device can directly discharge the sewage from flushing the water line outside the house.

Drinking system include

1、	UPVC water pipe		L=3600, double water pipes, convenient for inspection
2、	nipple drinker		patented structure nipple, effectively prevent impurities from clogging nipple;
3、	water cup		
4、	pressure Adjuster		
5、	terminator		
6、	water front and drainage tail system, back flush device		1 water pressure gauge, just includes the water pipes inside the coop, 32 main water pipe, 25 distribution, direct tee, elbow and accessories: back flush device
7、	doser and filter		Dosatron doser imported from France
8、	fittings		brand new

Support and Services

Our egg-laying cage system is a high-quality and durable product designed to meet the needs of poultry farmers. The technical support and services we offer include:

1. Installation Guidance:

Ensuring the system is set up correctly and functioning properly.

Ongoing Maintenance and Repair Services: Keeping the system in optimal condition.

2. Technical Troubleshooting:

Addressing any issues that arise during use.

Training and Education: Providing guidance on best practices for using the system and caring for poultry.

About us

Since our establishment, we have been dedicated to the research, design, production, and installation of poultry and livestock farming equipment. We continuously incorporate advanced European farming concepts and emerging technologies into the development of new equipment. Our goal is to develop one-stop farming supply chain products for domestic and international poultry and livestock customers, including egg-laying hens, broilers, brooders, egg packaging, and environmentally friendly equipment.
