Product Description

Easy Assembly Feeder Pan Poultry Accessories No Spilling For Broiler Breeder And Layer

Feeder pan is applicable to dry powder and granular feeding. Suitable for ground or online flat feeding of broiler breeders and laying hens. The material tray is divided into 16 adjustable gears to meet the feeding amount of chickens of different ages.

Features

1. High-quality materials ensure sturdiness and durability.
2. Can be installed without any tool.
3. With insert plate can realize sectional feeding.
4. The curved surface matches the physiological curve of the chicken, avoiding harm to the chicken's chest.
5. The feed tray adopts the V-shaped wave design. Without corners, the tray is smooth and is easy to clean.
6. No spilling of feed easily.
