

434 cm2 Area Q235 Steel Layer Chicken Cage System with 700mm Story Height

Our Product Introduction

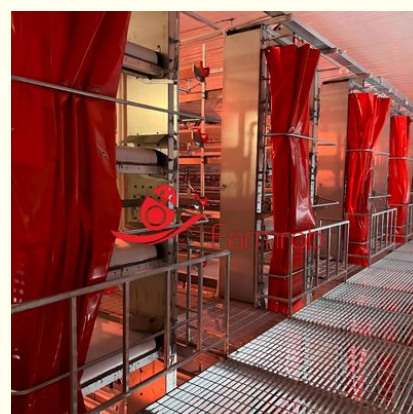

Basic Information

- Place of Origin: China
- Brand Name: Farmrob
- Certification: ISO9001
- Model Number: H type
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Tiers: 3, 4, 5, 6, 8, 9, 10, 12
- Story Height: 700mm
- Cage Size: 1800x650x450mm
- Area: 434 C
- Service Life: Over 15 Years
- Highlight: 434 cm2 Layer Chicken Cage System,
Q235 Layer Chicken Cage System,
Q235 Steel Layer Chicken Cage System

Product Description

Cost-effective Layer Chicken Cage System Q235 Steel

Product Description:

The Q235 wires used in the construction of the Layer Battery Cage System are soft but strong. 40*30mm Al-Zn-Mg alloy bracket and cage design ensure that the cages are sturdy and can withstand the weight of the birds. The slope of bottom mesh is 7° and soft mesh ensure the 0 egg crack rate. The cages are easy to operate and maintain.

700mm story height, enough movement space, automatic manure removal system and careful design of environment control create a clean, hygienic and comfortable environment for the birds with sufficient air and light, which is essential for their health and growth.

Patented feeding devices including automatic feed distributor, residue collector, chicken driver, anti-spill device guarantee the even feeding to keep chicken uniformity and avoid the waste.

With a lifespan of 15 plus years, Farmrob's product features high-quality, corrosion-resistant materials and a weatherproof design capable of enduring extreme environmental conditions. This adaptability allows for reliable performance in multiple climate zones.

Fully automatic cage systems:

1. Automatic feeding system
2. Automatic drinking system
3. Automatic egg collection system
4. Automatic manure removal system
5. Automatic cooling and ventilation system
6. Automatic disinfection system
7. Automatic control system
8. Big data platform

Significantly reduce the need for operators, lower labor intensity, and enhance productivity

About Farmrob

Farmrob is a leading poultry manufacturer, No.1 layer equipment market share and provider, Top three poultry industry in China. We are committed to providing reliable and durable equipment for clients. With technological innovation as the core, Farmrob insists on animal welfare and production efficiency, and helps the global farming industry to move towards a better future.
