

Considerable Returns Layer Chicken Cage System Stable Egg Lift

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Farmrob
- Certification: ISO9001
- Model Number: H Type Automatic Equipment
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Material: Al-Zn-Mg Alloy
- Story Height: 700mm
- Highlight: Automatic Layer Chicken Cage System, H Type Layer Chicken Cage System, Automatic Chicken Cage System Corrosion Resistant
- Tiers: 3-12 Tiers
- Application: Poultry Farm, Chicken Farm, Breeding Farm
- Service Life: Over 15 Years

Product Description

Considerable Returns Layer Chicken Cage System Stable

Egg Lift

Our technical support team provides comprehensive assistance for all inquiries—from installation and maintenance to troubleshooting. We ensure our poultry cages operate at peak performance, safeguarding bird health and welfare.

Accessories of egg collection system

Our egg belt is new PP drawing material with anti-aging, anti-bacterial and acid resistance. High friction performance and low elongation prevent egg rolling and breakage, ensuring optimal product protection throughout the conveying process.

The extended egg bracket design prevents chickens from pecking at eggs while eliminating collisions between eggs, ensuring safer and more hygienic egg collection.

Our advanced egg lifting delivers exceptional stability and reliability with its slow, and even speed that virtually eliminates vibration, ensuring gentle egg handling with an breakage rate of just 0.02%. The precision-engineered mechanism operate separate egg collection. One motor can control two tiers or three tiers.

The system is equipped with defective egg filters that automatically removes soft-shell, cracked, and broken eggs, ensuring clean, high-quality eggs proceed for collection.

This feature helps maintain hygiene standards, reduces contamination risks, and improves overall efficiency in egg handling.

Why Choose Us?

Farmrob has more than 20 years of poultry farming experience and mature system.

1. Customized construction and project design and engineering solutions
2. Reasonable and cost-effective quotation
3. Chicken-oriented and animal-friendly equipment
4. Advanced technical equipment with 25-year lifespan
5. Provide installation and technical guidance
6. Training for farmers on how to properly care for the birds and use and maintain the equipment
