

High-end Layer Chicken Cage System with Reliable Systems

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic equipment
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Characteristics: Automatic Drinking System, Automatic Feeding System, Automatic Ventilation And Cooling System, Automatic Manure Removal System

Product Description

High-end Layer Chicken Cage System with Reliable Systems

Description

- 1.Practice eco-friendly farming. Reasonable rearing density and comfortable living environment. On the back of appropriate cage grid size, chickens not get stuck and escape. Enough water supply and enough feeding position.
- 2.The poultry house features full automation of ventilation, egg collection, and manure removal, which significantly reduces labor demands and enhances operational efficiency. The integrated ventilation and cooling system ensures a consistently comfortable environment by providing fresh air and maintaining proper humidity levels for bird health and productivity.
- 3.The feeding system is engineered for high reliability and minimal waste. Its integrated filling and dispensing mechanisms, along with patented devices like distributors, residue collectors, and anti-spill devices, guarantee even feed distribution and maximize utilization.

H Type Battery Chicken Cage Features

1. Centralized management allows for more efficient use of energy and labor resources.
2. Even feed distribution can keep chicken uniformity and healthy body.
3. Optimize the energy efficiency and enhance egg production rates. Advanced devices design of egg collection system keeps lower breakage Rate.
- 4.The design of cage and manure removal system can keep friendly and hygienic environment.

About Farmrob

Farmrob is a leading poultry manufacturer, No.1 layer equipment market share and provider, Top three poultry industry in China. We are committed to providing reliable and durable equipment for clients. With technological innovation as the core, Farmrob insists on animal welfare and production efficiency, and helps the global farming industry to move towards a better future.
