

100000 Layer H Type Chicken Cage System with 25-Year Lifespan and Reliable Operation for Poultry Farms

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic layer cage
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Material: Mg-Al-Zn Alloy, Al-Zn Alloy, PP
- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Highlight: **100000 Layer H Type Chicken Cage, 25-Year Lifespan Poultry Battery Cage System, Reliable Operation Layer Chicken Cage System**

Product Description

100000 Layer Chicken Cage System with Reliable Operation in Saudi Arabia

Farmrob adheres to the philosophy of "chicken-oriented", designing poultry systems that prioritize animal welfare. Our equipment features smooth surfaces and scientific design, incorporating excellent accessories to improve both bird health and productivity. Ideal for modern poultry farming, these systems ensure a safe, hygienic, and highly efficient operating environment.

The H Type Layer Chicken Cage System is designed for large-scale commercial poultry farming operations. It features a sliding cage door for easy bird access and includes all necessary components: feeder, nipple, cage mesh, cage frame, and more - providing a complete layer raising equipment solution.

With a production capacity of 50,000 sets per month, we ensure timely and reliable supply for customers looking to improve their poultry farming operation and increase productivity.

Advantages of Feeding System

- Easy operation with low malfunction rate
- Quiet and smooth running feed cart
- Patented feed distributor ensures accurate and even feed dispensing
- Patented residue collector and anti-spill device minimize waste
- Fast installation process
- Galvanized silo with weighing device
- Automatic control system
- Real-time data recording capabilities

Why Choose Farmrob?

- 20+ years experience** in poultry farming with mature systems
- Customized construction and project design solutions
- Cost-effective equipment with competitive pricing
- Chicken-oriented, animal-friendly equipment design
- Advanced technical equipment with **25-year lifespan**
- Professional installation and technical guidance
- Comprehensive farmer training programs
- Thoughtful service and complete after-sales support
