

50000 Birds Advanced Layer Chicken Cage System for Domestic and Abroad Poultry Farming

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic layer cage
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Characteristics: Automatic Drinking System, Automatic Feeding System, Automatic Ventilation And Cooling System, Automatic Manure Removal System, Automatic Egg Collection System
- Highlight: **50000 birds layer chicken cage, poultry farming cage system, domestic layer chicken cage**

Product Description

50000 Birds Advanced Layer Chicken Cage System

Farmrob provides premium poultry farming equipment for domestic and international customers. Our comprehensive product line includes intelligent layer farming systems, pullet rearing cages, breeder cages for natural or artificial insemination, and intelligent welfare breeding equipment. The system integrates feeding and drinking systems, intelligent manure removal, and advanced ventilation and cooling technology.

ISO9001:2015 Certified

CE Certified

System Features

High-Strength Trough: Constructed from Al-Mg-Zn alloy with smooth edges for durability. Available in two versions: 0.98mm thick with flanged edges or 0.95mm thick without flanged edges.

Precision Temperature Control: Ventilation system maintains optimal conditions with temperature differentials within 1-2°C for each age group of chickens.

Egg Protection System: Elastic sloping bottom net with Q235 Al-Zn wires ensures gentle egg landing. Smooth-operating collection belt minimizes breakage while maximizing efficiency.

Advanced Filling Mechanism: Two-stage auger filling process with separate motor control for slant and transverse filling to prevent spiral and pipe damage.

Ideal Application

The H-Type Layer Chicken Cage System is specifically designed for large-scale commercial poultry farming operations, delivering superior performance and efficiency.

Technical Support & Services

Installation Guidance: Expert assistance for proper system setup and functionality

Maintenance Services: Regular upkeep to ensure optimal system performance

Technical Troubleshooting: Rapid resolution of operational issues
