

## Simple Operation of Layer Chicken Cage System in North African farm

Our Product Introduction

### Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic layer cage
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

### Product Specification

- Service Life: Over 15 Years
- Story Height: 700 Mm
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Feature: Anti-corrosion
- Characteristics: Automatic Drinking System, Automatic Feeding System, Automatic Ventilation And Cooling System, Automatic Manure Removal System, Automatic Egg Collection System
- Highlight: **Layer chicken cage system for North Africa, Simple operation layer cage system, Farm chicken cage system with warranty**

## Simple Operation of Layer Chicken Cage System in North African Farm

Our cage system provides uniform feed distribution and sufficient water supply while ensuring superior ventilation and light distribution. This commitment to poultry well-being enhances flock productivity.

### Key Features

#### Simple Operation and Low Labor

Farmrob's automated system minimizes labor demands, requiring only 1-2 staff members to manage the entire coop. This design significantly reduces labor costs and addresses workforce shortages.

#### Advanced Monitoring Technology

Our system features real-time monitoring of environmental parameters and animal welfare indicators including temperature, humidity, feed levels, and water consumption.

#### Optimized Space Utilization

Engineered with scientific design, our poultry equipment can house over 30,000 birds. Available in two optimized sizes (1800×650×450mm and 1260×600×450mm) to ensure comfortable movement space.

#### Durability and Stability

Constructed with Zn-Mg-Al alloy for high strength and corrosion resistance. All main components (cages, middle supports, egg lifts) are manufactured in our own factories with continuously updated designs to minimize failure rates.

#### Comfortable Environment

Our system features:

- Effective waste segregation to prevent chicken-manure contact
- 700mm story height and 450mm cage height for optimal air circulation
- Reduced ammonia levels and humidity to lower disease transmission

#### About Farmrob

Farmrob is China's leading poultry equipment manufacturer with the #1 market share in layer equipment. We are committed to providing reliable, durable equipment through technological innovation that enhances animal welfare and production efficiency.

### Support and Services

Our comprehensive support includes:

- Installation guidance for proper system setup
- Regular maintenance and repair services
- Technical troubleshooting assistance
- Training on system operation and poultry management best practices

We are committed to exceptional customer service to help your poultry farming business thrive.
