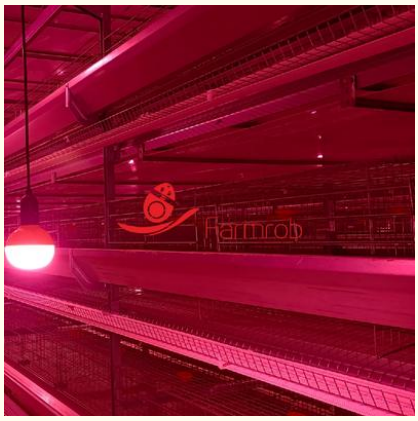
440 Middle Supports for Layer Chicken Cage System in Vietnam Farms

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic layer rearing system
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month



Product Specification

- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Trainning, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Characteristics: Automatic Drinking System, Automatic Feeding System, Automatic Ventilation And Cooling System, Automatic Manure Removal System, Automatic Egg Collection System
- Highlight: **440 layer chicken cage supports**, **middle supports for poultry cages**, **chicken cage system Vietnam farms**

Product Description

440 Middle Supports for Layer Chicken Cage System in Vietnam Farms

Farmrob designs and manufactures modern, advanced equipment for both domestic and international markets. Our current products include intelligent systems for layers, pullets, broilers, and breeders (for natural or artificial insemination), as well as welfare equipment.

Comprehensive Poultry Farming Solutions

Our comprehensive range covers feeding and drinking systems, intelligent manure removal, ventilation and cooling systems. Our chicken cage systems, certified to ISO9001:2015 and CE standards, feature a scientifically optimized design for maximum efficiency.

Key Features

- Professional laser cutting and advanced machinery for precision manufacturing
- Al-Zn-Mg middle supports fabricated in-house from 440 Mg-Al-Zn alloy (Al 10%, Mg 3%)
- Supports feature smooth surface with dimensions of 40mm x 30mm
- Engineered for high load-bearing capacity and exceptional resistance to deformation
- Prevents birds from getting trapped while allowing efficient manure passage
- Smooth, polished wire protects against feather and skin damage
- High-strength frame guarantees long-term stability

Ventilation & Cooling System

Maintains comfortable indoor temperature within 1-2°C differential from outdoors:

- Ensures continuous supply of fresh air
- Promotes rapid air circulation to remove stale air
- Maintains normal heat dissipation

Feed Silo Specifications

Galvanized feed silo designed to hold three-day supply of feed:

- Equipped with 110# auger or 102# chain-disk filling system based on scale
- Integrated weighing device for precise measurement
- Automated feed delivery directly into poultry house
- Requires protection from wind, rain, and direct sunlight

About Farmrob

Farmrob is a leading poultry manufacturer with the No.1 market share in layer equipment and ranks among the top three in China's poultry industry. We are committed to providing reliable, durable equipment through technological innovation that balances animal welfare with production efficiency.

Why Choose Farmrob?

- 20+ years of poultry farming experience
- Customized construction and project design solutions
- Specialization in poultry rearing equipment
- Cost-effective, competitive pricing
- Chicken-oriented, animal-friendly designs
- Advanced technical equipment with 15-year lifespan
- Professional installation and technical guidance
- Comprehensive farmer training programs
- Thoughtful after-sales service system
