

3-5 Tiers Pullet Poultry Battery Cage System for Saudi Arabia

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic pullet system
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Cage Size: 1800*650*450mm-3 Doors/cage
- Highlight: **3-5 tiers pullet poultry cage, poultry battery cage system Saudi Arabia, pullet battery cage with warranty**

Product Description

3-5 Tiers Pullet Poultry Battery Cage System for Saudi Arabia

Farmrob's Pullet Rearing Cages create a secure, low-stress environment using scientific systems and durable materials for superior reliability. Our advanced design minimizes equipment failure while maximizing long-term profitability. The system enables fine management for optimal bird health and productivity while reducing labor costs.

Key Features

- Durable Construction:** Cage mesh made of Q235 Al-Zn alloy with 275g/m² coating (10% Al)
- Easy Access:** Spring door facilitates vaccinations and chicken handling
- Premium Materials:** Troughs and middle supports fabricated from Al-Zn-Mg alloy plate
- Climate Control:** Ventilation system with fans, cooling pads and side windows maintains optimal environment
- Heating System:** Maintains ideal temperature for chicks, reducing sickness and mortality rates
- Optimal Design:** 700 mm tier height promotes ventilation and even light distribution
- Hygienic:** Manure belt 150 mm above top net prevents disease transmission
- Feeding System:** Height-adjustable dual water line with leak-proof nipples and precision feeding
- LED Lighting:** Warm LED system with adjustable color and intensity reduces stress

System Specifications

Configuration	3-8 tiers (customizable)
Tier Height	700 mm
Manure Belt Position	150 mm above top net
Material Coating	275g/m ² (10% Al)
System Lifespan	25 years

Why Choose Farmrob?

- 20+ years of poultry farming experience with mature systems
- Customized construction and project design solutions
- Cost-effective equipment with animal-friendly design
- Advanced technical equipment with 25-year lifespan
- Professional installation and technical guidance
- Comprehensive farmer training programs
- Thoughtful after-sales service system

Our flexible configurations from 3 to 8 tiers can be customized to meet your specific poultry operation needs, ensuring efficiency and superior results.
