

Uniform Feeding Layer Chicken Cage System in Vietnam Farms

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic layer equipment
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Cage Size: 1260*650*450mm-2 Doors/cage;
1800*650*450mm-3 Doors/cage
- Highlight: **layer chicken cage system Vietnam, uniform feeding chicken cage, poultry farm cage system**

Product Description

Uniform Feeding Layer Chicken Cage System for Vietnam Farms

Farmrob specializes in designing high-performance automated poultry farming solutions that enhance production efficiency and maximize productivity. Our systems are engineered to meet regional demands worldwide.

Premium Construction Materials

Our poultry cages are constructed from durable Zn-Al-Mg alloy with anti-aging, deformation-resistant accessories for exceptional robustness and long-term durability.

Advanced Feeding System Features

- Contaminant-Free Transport:** Fully enclosed delivery from silo to trough
- Secure Storage:** Hot-dip galvanized silo preserves feed nutritional value and freshness
- Precision Management:** Integrated weighing device for accurate control
- Flexible Filling Options:** Choice of auger or disc chain conveyor
- Waste Prevention:** Filling sensor and automatic discharge outlet minimize loss
- Quiet Operation:** Trolley runs with minimal noise and vibration
- High-Capacity Hoppers:** 70 kg at first hopper, 65 kg on additional levels
- Uniform Distribution:** Ensures consistent feed access for all birds
- Low Waste Design:** Residue collector pushes remaining feed back to birds

Fully Automated Systems

- Automatic feeding system
- Automatic drinking system
- Automatic egg collection system
- Automatic manure removal system
- Automatic cooling and ventilation system
- Automatic control system

H Type Battery Chicken Cage Advantages

- Centralized management for efficient energy and labor use
- Even feed distribution maintains chicken uniformity and health
- Cage design and manure removal system ensure comfortable environment
- Automated control system manages feeding, heating, manure removal, ventilation, and lighting

Why Choose Farmrob?

With over 20 years of poultry farming experience, we provide mature, reliable systems:

- Customized construction and engineering solutions
- Cost-effective pricing
- Chicken-oriented, animal-friendly equipment
- Advanced technical equipment with 25-year lifespan
- Professional installation and technical guidance
- Comprehensive farmer training programs
- Exceptional after-sales service
