

Optimal Temperature Layer Chicken Cage System in the Middle East

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic layer equipment
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Cage Size: 1260*650*450mm-2 Doors/cage;
1800*650*450mm-3 Doors/cage
- Highlight: **Middle East layer chicken cage,
temperature controlled chicken cage,
optimal layer cage system**

Product Description

Optimal Temperature Layer Chicken Cage System in the Middle East

Farmrob's farming equipment is designed for large-scale chicken houses, helping you save land while reducing operational costs. Our system ensures bird health and productivity with an advanced design that minimizes equipment failure and maximizes long-term profitability.

The cage system features easy installation, allowing you to set up customized chicken layer cages in your poultry farm with minimal effort.

Key Features

- **Fully automated control** reduces labor requirements while improving productivity
- **Sliding cage door** with wide opening allows easy feeding access, preventing crowding and competition
- **Zn-Al-Mg middle supports** (40mm * 30mm) manufactured in-house for robust, long-lasting performance
- **Manure removal belt** at each cage bottom maintains clean, hygienic environment (150mm spacing from top net)
- **Reliable egg collection** with low breakage rates and defective egg filter for quality control
- **Ventilation system** maintains just 1-2°C above outdoor temperature with continuous air circulation

Fully Automated Systems

- Automatic feeding system
- Automatic drinking system
- Automatic egg collection system
- Automatic manure removal system
- Automatic cooling and ventilation system
- Automatic control system

Why Choose Farmrob?

With over 30 years of poultry farming experience, we offer:

- Customized construction and engineering solutions
- Cost-effective equipment with 25-year lifespan
- Chicken-oriented, animal-friendly design
- Professional installation and technical guidance
- Farmer training programs
- Comprehensive after-sales service
