

## Stable Housing Environment Poultry Battery Cage System for the Middle East Farms

### Our Product Introduction

#### Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H type automatic layer system
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: L/C,T/T
- Supply Ability: 50000 sets per month

#### Product Specification

- Service Life: Over 15 Years
- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Story Height: 700 Mm
- Feature: Anti-corrosion
- Trainings: Installation, Maintenance, Debugging
- Highlight: **poultry battery cage system for farms, stable housing poultry cage system, Middle East poultry battery cages**

## Product Description

### Stable Housing Environment Poultry Battery Cage System for the Middle East Farms

Our poultry battery cage system creates a comfortable living environment that promotes natural movement and optimal airflow, transforming animal welfare into measurable results for a more productive flock. All systems guarantee reliable, easy operation with streamlined, aesthetically pleasing designs that have been rigorously tested for stability and user-friendly operation.

#### System Advantages

**Premium Construction:** Burr-free wire mesh made of high-quality Q235 Al-Zn alloy with excellent corrosion resistance

**Easy Access:** Spring cage door facilitates convenient vaccinations and chicken transfer operations

**Optimal Environment:** 700mm tier height promotes smooth ventilation and even light distribution for reduced stress

**Advanced Waste Management:** Patented manure removal system prevents belt derailment while isolating manure from chicks to minimize contamination

**Chick Comfort:** Plastic mesh tiers provide stable, secure standing surfaces during critical early development

**Feeding & Watering:** Gravity water cups and feeding trays sized appropriately for chick requirements

**Durable Trough Design:** Mg-Al-Zn alloy trough with 45mm interior height and base width, featuring step-able 0.98mm thickness for structural integrity

#### Technical Specifications

Parameter	Value
Length	1800mm
Depth	600mm
Height	450mm
Story Height	700mm
Birds/Cell	11 birds (0-105 days), 12 birds (0-80/90 days), 13 birds (0-60/70 days)
Cells/Cage	3

#### Support and Services

Our high-quality, durable cage rearing system is designed to meet the specific needs of poultry farmers. We provide comprehensive technical support including:

Installation Guidance for smooth setup and proper functionality

Regular Maintenance and Repair Services to maintain optimal performance

Technical Troubleshooting for quick issue resolution

Training and Instruction on system usage and poultry management best practices

We are committed to delivering exceptional customer service and support to help your poultry farming business thrive.
