

Layer Breeder Poultry Battery Cage System Designed For Poultry Farmers Seeking Durable Cages That Promote Healthy Growth

Our Product Introduction

Basic Information

- Place of Origin: Chengdu, China
- Brand Name: Farmrob
- Certification: ISO9001, CE
- Model Number: H-type automatic breeder equipment
- Minimum Order Quantity: 200 sets
- Price: USD 65-200/set
- Packaging Details: Normal export packing 20ft / 40HQ container
- Delivery Time: 60 days
- Payment Terms: D/P,T/T
- Supply Ability: 50000 sets per month

Product Specification

- Services: Maintenance, Debugging, Technical Training, Installation Guidance
- Feature: Anti-corrosion
- Characteristics: Automatic Drinking System, Automatic Feeding System, Automatic Ventilation And Cooling System, Automatic Manure Removal System, Automatic Egg Collection System
- Tiers: 3-8
- Life Service: Over 15 Years
- Highlight: **durable poultry battery cage system, poultry battery cage for healthy growth, layer breeder poultry cage system**

Product Description

Layer Breeder Poultry Battery Cage System

Product Overview

Designed for poultry farmers seeking durable cages that promote healthy growth, this Layer Breeder Poultry Battery Cage System represents the perfect fusion of innovative engineering and precision craftsmanship. Every component has been meticulously developed to meet the highest standards of quality and performance.

Built with a solid, durable structure, this product delivers exceptional stability and long-lasting functionality, making it the ideal choice for even the most demanding poultry farming applications. The robust construction features stable brackets and reinforced cage design capable of securely supporting multiple chickens while minimizing vibration and deformation.

Key Features

Cage Specifications: 4800 × 1200 × 700 mm | Capacity: 100 birds (9 males:91 females) | Space per bird: 576 cm²

- Designed to support natural mating with comfortable and functional environment for breeder birds
- Spacious layout promotes natural movement and social interaction among the flock
- Excellent ventilation maintains fresh airflow and healthy atmosphere
- Top net allows for easy vaccination and convenient chicken handling
- Filling and feeding system ensures even feed distribution with low waste
- Water line terminator with level sensor for precise water management
- Manure removal roller system with anti-deviation technology
- Durable construction with injection-molded tire rubber driving wheels

Why Choose Farmrob

With over 30 years of poultry farming experience and mature systems, Farmrob delivers comprehensive solutions:

- Customized construction and project design engineering solutions
- Reasonable and cost-effective quotations
- Chicken-oriented and animal-friendly equipment
- Advanced technical equipment with 25-year lifespan
- Professional installation and technical guidance
- Comprehensive training for proper bird care and equipment maintenance
- Thoughtful service and perfect after-sales service system
